

Spring 2016 Tuition Schedule

11-week session, beginning the week of 3/28 and ending the week of 6/6*

Session tuition includes one Horsemanship Safety Clinic.

Family and Siblings Discount – if students are in the same family, the second (and each additional) student receives \$15 off tuition prices. Students must live together and tuition must be paid by the same parents for the discount to apply.

If the student has completed their level check-list, they'll be invited to take their level test at the Spring Exposition Horse Show. Participating in the Exposition Show would carry an additional fee. It is not included in Spring Tuition as not all students will participate.
